SOFTWARE

Mingyang Chen, Zhipeng Wu (2026). *Chinese.legalText: A Package for Analyzing CJO Criminal Documents*. R package version 1.0.1. [Link](#)

CONFERENCE

English Conference Papers

The 40th Annual AAAI Conference: Bridge between AI and Law | Singapore

Oral Presenter | 01/2026

- Title: "Machine Judges Reduce Sentencing Bias? A Computational Social Science Evaluation"
- Best Paper Award Honorable Mention (4/52, 7% of papers)

CUPL: The 11th International Conference on Law and Economics | Beijing, China

Oral Presenter | 07/2025

- Title: "Does Plea Leniency Lead to Higher Crime Rates by Lowering Conviction Standards? A Quasi-Experimental Analysis in China"

The 7th Towards Data Law/Empirical Legal Research Conference | Hangzhou, China

Oral Presenter | 11/2024

- Title: "Criminal Justice Theory, Empirical Study, Machine Learning and Judge Decision-Making"

Chinese Conference Papers

Seminar on Punishment and Prevention of Juvenile Delinquency | Chongqing, China

Accepted in Proceeding | 12/2024

- Excellent prize paper

Tianjin Law Society Applied Law Branch 2024 Annual Conference | Tianjin, China

Oral Presenter | 11/2024

- First Prize Paper

RESEARCH EXPERIENCE

As Project Leader

Law Experiment Competition, CUPL Data Law Lab | Beijing, China

Project Leader | 03/2025

- Summary: *Develop a Sentencing Prediction Model*
- First Prize Work (*rank 4/240, the only undergraduate-led team getting the first prize*).
- My Work: conceptualisation; literature review on TLCA theory; build a stacking model; build rules for feature extraction; writing – original draft
- Funding: CUPL Data Law Lab's Fund for Law Experiment Model (¥10000)

National Undergraduate Research Training Project | Beijing, China

Project Leader | 09/2022 – 09/2023

- Summary: *Research on Why Gay's Wife is Cheated*
- Supervisor: Dr. Ma, Ai
- Score: 95/100 (*rank 1/101*). Evaluated as an **Excellent Work** by the committee.
- My Work: conceptualisation; research design; literature review on Tongqi; interview 22 Tongqi; writing –

original draft

- Funding: National Undergraduate Research Training Project (202210053038) (¥10000)

As Cooperator / Part-time RA

Procedural Law Research Institute, CUPL | Beijing, China (remote)

Cooperator, Co-author | 09/2025 – Present

- Summary: *Investigate Plea Leniency's Real Effect using Mixed Method*
- Project Leader & Supervisor: Dr. Bao, Wenqiang
- My Work: conceptualisation; quantitative data analysis; design questionnaires and interview outlines; writing –review & editing
- Funding: China University of Political Science and Law's Support Scheme for Young Academics' Innovative Research Teams (24CXTD06)

China Arbitration Institute, CUPL | Beijing, China

Research Assistant, Co-author | 03/2025 – 07/2025

- Summary: *China's Market-Oriented Reform on Arbitration Institution's Effect*
- Project Leader: Dr. Xue, Tong; Supervisor: Dr. Xue, Tong & Dr. Li, Dai
- My Work: data analysis; literature review on theory frame

School of Criminal Justice, CUPL | Beijing, China

Research Assistant | 09/2024 – 02/2025

- Summary: *Factors Influence Judicial Trust in China*
- Project Leader & Supervisor: Dr. Xu, Boyang
- My Work: collect province-level crime rate, judicial documents and control variables data
- Funding: National Social Science Fund of China (24CFX098)
- I use the data collected to produce another research paper titled "*Does Plea Leniency Lead to Higher Crime Rates by Lowering Conviction Standards? A Quasi-Experimental Analysis in China*" with the project leader Dr. Xu, Boyang.

School of Criminal Justice, CUPL | Beijing, China

Research Assistant | 03/2024 – 08/2024

- Summary: *Test the Criminology Theories in Mainland China*
- Project Leader: Dr. Zhao, Xuelian; Supervisor: Dr. Xu, Boyang
- My Work: questionnaire design; conduct surveys in two provinces; data analysis
- Funding: Annual Project of China Youth & Children Research Association (2024B12)
- I use the data collected in the two provinces to produce another research paper titled "*The Dichotomous Classification of Special Schools: An Empirical Test Based on Social Control Theory*" with another part-time RA Yantong Guo.

PROFESSIONAL EXPERIENCE
