INDUSTRIAL ACTIVITIES & TALKS

Tencent Research Institute AI&Society Camp 2026 | Beijing, China
Research Sharing Track | 10/2026

- Share our research on AI and Sentencing Decisions. (*Supported by Tencent Co., Ltd*)

RESEARCH EXPERIENCE

Project Leader

Law Experiment Competition, CUPL Data Law Lab | Beijing, China
Project Leader | 03/2025

- Summary: *Developing a Sentencing Prediction Model*
- Award: First Prize Work (*rank 4/240; the only undergraduate-led team getting the first prize*).
- Contributions: Conceptualization; literature review; built a stacking model; built rules for feature extraction; writing – original draft
- Funding: CUPL Data Law Lab's Funding for Law Experiment Model Competition (CNY10,000)
- Outcome: a conference presentation at *Tianjin Law Society Applied Law Branch 2024 Annual Conference*, a publication on *Law Probability & Risk*

National Undergraduate Research Training Project | Beijing, China

Project Leader | 09/2022 – 09/2023

- Summary: *Investigating the Marital Experiences of Tongqi (Wives of Gay Men), with a Focus on IPV*
- Supervisor: Dr. Ai Ma
- Score: 95/100 (*rank 1/101*). Evaluated as an "Excellent Work" by the committee.
- Contributions: Conceptualization; literature review; interviewed 22 Tongqi; writing – original draft
- Funding: National Undergraduate Research Training Project (202210053038) (CNY10,000)

Collaboration

Procedural Law Research Institute, CUPL | Beijing, China (remote)

Research Collaborator & Co-author | 09/2025 – Present

- Summary: *Investigating Plea Leniency's Real Effect using Mixed Methods*
- Project Leader: Dr. Wenqiang Bao
- Contributions: Conceptualization; data analysis; designed interview outlines; writing – review & editing
- Funding: China University of Political Science and Law's Support Scheme for Young Academics' Innovative Research Teams (24CXTD06)
- Outcome: a conference presentation at the *9th Towards Data Law/Empirical Legal Research Conference*

Research Assistance

China Arbitration Institute, CUPL | Beijing, China

Research Assistant & Co-author | 03/2025 – 07/2025

- Summary: *Evaluating China's Market-Oriented Reform on Arbitration Institution*
- Project Leader: Dr. Tong Xue; Supervisor: Dr. Tong Xue & Dr. Dai Li
- Contributions: Data analysis; literature review; writing – original draft
- Funding: China Arbitration Institute's Credibility of Arbitration Project
- Outcome: a report in Chinese

School of Criminal Justice, CUPL | Beijing, China

Research Assistant | 09/2024 – 02/2025

- Summary: *Investigating Factors Influencing Judicial Trust in China*
- Project Leader: Dr. Boyang Xu
- Contributions: Collected province-level crime data and control variables data
- Funding: Philosophy and Social Science Foundation of China (24CFX098)
- Outcome: Contributed data to a paper by Dr. Boyang Xu in *China Law Review (in Chinese)*; data further used in a first-authored article in the *Asian Journal of Comparative Law*.

School of Criminal Justice, CUPL | Beijing, China

Research Assistant | 03/2024 – 08/2024

- Summary: *Testing Criminology Theories in China*
- Project Leader: Dr. Xuelian Zhao; Co-Leader: Dr. Boyang Xu
- Contributions: Questionnaire design; conducted surveys in two provinces
- Funding: Annual Project of China Youth & Children Research Association (2024B12)

- Outcome: Data further used in a first-authored article in the *Journal of Postgraduates - CUPL*, co-authored with RA Yantong Guo.

PROFESSIONAL EXPERIENCE

Famao Technology Co., Ltd | Beijing, China

Legal Knowledge Engineer Intern | 06/2024 – 08/2024

- Supervised by Product Manager: Mr. Changrui Liu
- Developed an automatic data search engine for legal professionals with computer scientists.
